

A Dog's Healing

Recently I shared the true and dramatic story of the healing of one of my dogs following what appeared to be a deadly accident. A friend asked specifically about the prayer used and this is what I shared with her:

“Love [God] giveth to the least spiritual idea might, immortality, and goodness, which shine through all as the blossom shines through the bud. All the varied expressions of God reflect health, holiness, immortality — infinite Life, Truth, and Love.” I did not author this statement but have cherished it since first reading it. It can help you as it's helped countless others.
