

Love Running Deep

Do you love popcorn? How about puppies? Your parents? Your job? Today's culture seems to have cheapened the word. But most have felt that miracle of love expressed to them, love so true and deep, not anything like puppy love or other such temporary emotion, and it changed their world.

John said in Phillipians 1:3 "I thank my God upon every remembrances of you,..."

Wow! Read that again and ponder it for a moment. Is that not a profound statement of love for one's fellow man? Totally selfless. Apparently without condition or qualifier. A love that lasts forever.

And from where did this love come? Jesus as the wayshower, was expressing towards us the love he received from God. Here's part of what he said in John 10. "My sheep hear my voice, and I know them, and they follow me:...My Father, which gave them me, is greater than all; and no man is able to pluck them out of my Father's hand." John 10. And see John 17 as well for the full context and be ready to deeply moved by the depth and power of love you are witnessing. Love for you, and all who are prepared to receive it

My hope for you today is to feel this blessing.
